Bucks County Secretary's Report

With Covid restrictions still in place at the beginning of the year the Annual Seminar was held as a hybrid meeting, with about 20 members attending at home by video conference and 60 present in the hall, who were glad to see each other again. The AGM was held immediately after the meeting with polling on zoom for the voting.

The advent of videoconferencing has meant that we held all the committee meetings this year by videoconferencing and the county will retain its Zoom subscription for another year as this is a cost effective and efficient way of meeting.

Once the summer started COVID restrictions were largely lifted and we were able to attend the Bucks Agricultural Show on 1st September. The stall won 2nd prize in the non-agricultural category as the judges were very impressed with the interactive nature of the stand and the educational content.
